## Career Objective

---

I am a passionate WordPress Web Developer and Team Leader with experience in building responsive, user-friendly, and SEO-optimized websites. I enjoy solving problems, leading teams, and turning ideas into functional web solutions. I am looking for an opportunity where I can contribute my technical skills and leadership experience while continuing to learn, grow, and take on new challenges in web development.

## Experiences

---

### Sr. WordPress Developer & Team Leader | Sardar IT | August 2025 – Present

#### Responsibilities:

- Managed client communication and project delivery through Fiverr and Upwork.
- Developed custom WordPress websites based on client requirements.
- Led a development team and ensured projects were completed on time.
- Assigned tasks, monitored progress, and supported team members when needed.
- Worked directly with clients to gather requirements and provide solutions.
- Built custom WordPress plugins and added advanced website functionality.
- Solved technical issues and troubleshoot WordPress-related problems.

### Sr. WordPress Developer at Wordsphere | Remote (June 2022 – July 2024)

**www.wordsphere.com**

#### Responsibilities:

- Developed custom WordPress websites as per clients.
- Built user-friendly interfaces with Elementor and customized themes from scratch.
- Optimized site performance and fixed bugs or security issues.
- Worked directly with clients to gather requirements and deliver projects on time.
- Worked with graphics and other designers team.
- Worked on several projects at the same time and completed them within deadlines.

### Freelancing as a WordPress Developer | Jan 2019 – Present

#### Responsibilities:

- Developed custom WordPress websites for small businesses and online stores.
- Work with graphics and other designers.
- Troubleshoot, maintain, update and monitor website traffic
- Stay up-to-date on technology
